

# Periscope S2G

SUPPLIER TO GOVERNMENT

## Learn More About S2G

Welcome to Periscope Supplier to Government (S2G), home to the largest database of government bids in North America. With our smart technology and large network of agency partners, you now have a competitive edge in finding government contracts that can help your business grow.

### Your S2G subscription includes:

#### DATABASE ACCESS

---

Never miss a government bid. Your free Basic subscription provides access to every bid from our 1,000+ partner agencies. To access bids from up to 100,000+ agencies we monitor, **upgrade to a S2G State, Regional, or National Pro Plan.**

#### DAILY EMAIL NOTIFICATION

---

Save time sifting through thousands of bids to find the ones that meet your business goals. Using our keyword matching system, we find bids that match your profile and target geographies and deliver them daily in one, easy-to-review email.

#### TRAINING & SUPPORT

---

Get the most out of your account with our expert resources and tools
